

## 2024 Chapter Membership Challenge Monthly Snapshot

The 2024 Chapter Membership Challenge will be held through September 30, 2024 and will name two chapter winners!

- 1) The chapter with the largest number of new members
- 2) The chapter with the highest percentage of membership growth

The prize to be announced in a few weeks and the winning chapters will be announced at this year's Annual Educational Conference. This Monthly Snapshot will track each chapter's membership count per the national NAHSE office records and rankings will be determined solely by the number of new members. The National Office will update and distribute the document every month. **Being a member of NAHSE is golden and this is one effort to spread and share our value.**

*If there are any questions or concerns regarding the membership counts, please have the Chapter President reach out to Stephanie Anderson at sanderson@nahse.org.*
